Dear Parents:

PARENT DRIVER FORM

We appreciate your willingness to provide student transportation for our school-sponsored events by driving your car. It is important that each parent is aware of the Calvary Christian School policies for insurance and safety as they relate to your protection.

1. A driver of a car must hold a valid, unrestricted driver's license. All vehicles must be properly licensed and in safe mechanical condition.
2. There must be a seat belt for each passenger in your car. You may not carry more than nine passengers.
3. When transporting students on a school-related event, such as a field trip, drivers must be covered by a \$300,000 combined single limit automobile insurance policy.
4. You understand that in the event you have an accident while driving to or from a school event, or on behalf of Calvary Christian School: as owner, your automobile insurance coverage will be primary to protect you from any action that may be brought against you because of your negligence.
5. **Please keep all screens turned off while students are in your car and care during a class field trip. This includes DVD players in the car and any cell phones.**

Calvary Christian School requires that parents fill out the form below if they are intending to drive students at any time throughout the school year. A new Parent Driver Form must be filled out each school year.

Please complete the information below and attach a copy of your Driver License and Insurance.
